1035 Parkway Avenue, PO Box 600, Trenton, New Jersey 08625-0600

Baseline Document Change Announcement

Working Drawings Signatures

BDC11T-03

December 7, 2011

SUBJECT: Revision to the *Working Drawings Procedure*

Working Drawing Procedure, Section 1.2.4.1, has been revised for submittals containing multiple plan sheets to provide a stamp that allows the State Transportation Engineer to sign just once using a revised Stamp B in a cover letter written by the designer. All the plans are then stamped with new Stamp B1.

Implementation Code R (ROUTINE)

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
